Motivated and detail-oriented Computer Science graduate with a solid understanding of HTML, CSS, JavaScript, React, and Tailwind CSS. Currently working as a front-end development intern for the past 6 months, gaining practical experience in building responsive and user-friendly web applications. Seeking an entry-level front-end developer position to apply my skills and continue growing in a dynamic team environment.

November 2024 to Present •

Thrilled to share that I've joined K Digital Curry as a Front-End Developer Intern! Excited to work on innovative, real-life projects, collaborate with talented teams, and contribute to delivering exceptional digital experiences. I'm currently enhancing my skills in React, Tailwind CSS, and responsive design, while gaining hands-on experience in version control, cross-functional teamwork. Looking forward to continuous growth and making meaningful contributions during this exciting chapter at K Digital Curry!
